Editors Of Nolo : Quicken Willmaker 2010 Edition: Book Software Kit (Quicken Willmaker Plus) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quicken Willmaker 2010 Edition: Book Software Kit (Quicken Willmaker Plus):

37 of 38 people found the following review helpful. Removed Features From Prior Version - Not Worth It!! By M. Lee Like many of the reviews under Quicken Willmaker Plus 2010, this version seems different from 2009 or earlier versions. This literally only contains the basic Will - which it seems to do a decent job at. However, there are no Living Trust nor any of the other documents that came with the earlier version. My mistake of course is having pre-ordered this and not gotten a chance to read the other reviews. If doing a basic Will is what you need, this is probably fine but of low value for your money given alternatives for this basic function can be done for much less. 0 of 0 people

found the following review helpful. Five StarsBy CustomerIt worked just fine. Prompt delivery. Thank you.0 of 0 people found the following review helpful. It covers the basesBy JDCIt covers the bases, is easy to use and if you want to keep the process simple this product can work for you. It will help you understand that you may need to hire some help if your estate has any twists and turns.

The bestselling and most respected will making software is available in an easy-to-use book format! Quicken WillMaker 2010 Edition: Book Software Kit lets you create a valid will yourself, without a lawyer. You'll feel secure knowing that your loved ones are fully protected and that you, not a court, will decide what happens to your property. With the Quicken WillMaker 2010 Edition: Book Software Kit you can: choose a guardian for your children name an executor leave gifts of property understand your spouse's rights set up trusts for your beneficiaries organize important information for your survivors You'll create a will that's tailored to your wishes and the laws of your state. When you complete it, you'll get instructions on how to sign your will in front of witnesses so that it's legally valid. It's peace of mind--made easy. As a bonus, the kit includes a free eBook: Estate Planning Basics, valued at \$24.99. From choosing beneficiaries to tax reduction methods, you'll find straightforward explanations of all the major components of estate planning.

Even if you know you should see a lawyer... [WillMaker's] question-and-answer technique can help you sort through the options. (BusinessWeek 20080202)No contest.... If you're looking to write a will, I highly recommend WillMaker. (Eric Tyson, Author Personal Finance for Dummies 20080201)"From a group of tough critics, Nolo's WillMaker got the most praise... superior on every front." (Kiplinger's Personal Finance Magazine 20080201)From the PublisherMake your will today, quickly easily Quicken WillMaker 2010 Edition: Book Software Kit provides everything you need to make customized legal documents that are valid in your home state (except Louisiana). The friendly step-by-step interview makes it easy to create legal documents using a computer. This format for Quicken WillMaker 2010 Edition: Book Software Kit (software within a book) is particularly appealing to those who want the ease of software for creating documents, but like the comfort of a book for easy reference.About the AuthorNolo's legal editors are lawyers who have dedicated themselves to creating books and software that give people legal information in plain English. More than a dozen legal editors, who together have hundreds of year of legal experience, currently work on Nolo products.
