The bestselling and most respected estate planning software is available in an easyto use book format! Quicken WillMaker lets readers make a valid will, tailored to their state's law and their personal circumstances, quickly and easily. Along the way, the interactive CD provides straightforward explanations of significant options so they can make the best decisions for their families. With the guidance of a friendly step by step interview, it's easy to create a customized will. Quicken WillMaker also includes valuable information for caregivers and survivors. This edition contains updated documents for all states except Louisiana, where WillMaker should not be used.
