**Editors of Nolo : Quicken Willmaker Plus 2016 Edition: Book Software Kit** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quicken Willmaker Plus 2016 Edition: Book Software Kit:

99 of 102 people found the following review helpful. Includes the software disc By Christopher J. Scott First off: yes, this version includes the software and also the book. Second, I have no idea why you will sometimes see the software alone priced higher, that's weird. That being said, Willmaker is an excellent program. It's easy to use and well worth its cost. I don't have any really tricky or complicated aspects to my estate, so I can't speak to how it works for the 1%, but for us regular folks it's great. 52 of 57 people found the following review helpful. Quick, Easy Will By Shopper X Not dead yet so I can't attest to how well it works but for a basic, quick will, it sets things up very nicely. You get both a book and installation CD. There are detailed questions to allow for many options. Yes, it is generic, obviously, but for a basic will this fits the bill and has got to be better than nothing. It reminded me of doing my taxes online, it is the same concept. You are able to get many end of life documents other than just a will and you can set these up and

change them very easily with only a few keystrokes if you change your mind, as long as you get more witnesses and notaries to sign, of course. This made the process very easy for me. 27 of 29 people found the following review helpful. Works as advertised. By Douglas Miller Came with a book, which I didn't really use. The software is pretty self-explanatory and offers lots of help when you need it. I'm not an attorney, so I can't speak to the legal aspects of this tool, but usability is good, output is clean, and my wife and I finally have Wills and Health Directives in place!

Quicken WillMaker Plus 2016 is the easiest way to create your estate plan, whether it's your first time or you want to update a previous plan. You'll be guided through the process from beginning to end with practical and relevant legal information so that you can make the best decisions for you and your family. Create a customized estate plan with a Will, Health Care Directive, Power of Attorney, and other essential documents. Documents reflect the laws of your state.\* Easy interview format lets you complete documents at your own pace. User-friendly legal manual answers common questions. Quicken WillMaker Plus 2016 is the original will-writing software, written and updated regularly by Nolo's expert attorneys. Free legal updates will keep your program current through 2016. Technical support is also available. Plus, get a free living trust! Spare your family from the hassle and expense of probate court as they carry out your wishes. Quicken WillMaker Plus 2016 gives you free access to Nolo's Online Living Trust. Here's a deeper look at what you can do with Quicken WillMaker Plus 2016: Your Will The heart of every estate plan is a will, also known as a last will and testament. This legal document puts you in control of who inherits your property and who would assume guardianship of your children if it were ever necessary. Without a will, state law will determine these issues. Your will allows you to name an executor (personal representative) whose job it is to see that your wishes are carried out. And you can appoint a trusted person to manage property left to young people. With Quicken WillMaker Plus 2016, you can revise and update your will whenever you like. Your Health Care Directive Spares your loved ones difficult decisions by laying out your wishes for medical care and naming someone to carry those wishes. Health Care Power of Attorney. Permit a loved one to make important medical decisions for you. Living Will. Specify whether you want your life prolonged through artificial means in certain circumstances and set out your wishes about specific medical treatments and procedures. Your Final Arrangements Plan a funeral or other ceremony and ease the burden on your loved ones. Describe your preferences for burial, cremation, memorials, obituaries, and more, and select someone to oversee your final arrangements. Letter to Survivors Use this letter to leave a final message to your loved ones. You can explain the gifts you left in your will, leave advice, divulge secrets, suggest ways of splitting shared gifts, or any other thoughts you'd like to leave behind. Documents for Your Executor Provide your executor with needed instructions, checklists, letters, notices, claim forms and more. Information for Caregivers and Survivors Organize your estate so that your survivors don't have to. Use these documents to give them information about everything from bank accounts to the names of people you'd like contacted in the event of your illness or death. Personal Finance Documents Over a dozen forms let you handle common financial situations, such as lending money to friends or family, creating a bill of sale, and closing a credit card account. Home Family Documents Practical forms you can use every day to help run your home and keep your family safe, including authorizations and agreements, promissory notes, limited powers of attorney, and child and elder care forms. \* Estate planning documents not valid in Louisiana or U.S. Territories. Quicken WillMaker Plus 2016 is ONLY for estate planning in the USA. "...can walk you through making a will and provisions you need to consider for your situation" CBS MoneyWatch "Even if you know you should see a lawyer... [WillMaker's] question-and-answer technique can help you sort through the options." BusinessWeek "From a group of tough critics, Nolo's WillMaker got the most praise... superior on every front." Kiplinger's Personal Finance Magazine About the Author All Nolo legal editors specialize in certain areas of the law, and many are recognized as national experts in their field. They write books, edit books by outside authors, and in their spare time write online articles and blogs, develop legal forms, and create the legal content of Nolo software.
