Linda H. Edwards : Readings in Persuasion: Briefs that Changed the World (Aspen Coursebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Readings in Persuasion: Briefs that Changed the World (Aspen Coursebook):

0 of 0 people found the following review helpful. Five StarsBy MBest book ever. A must read.1 of 3 people found the following review helpful. Bad writing about good briefs, but good briefs not includedBy Steve DavisNo briefs at all here. Just a bunch of academics trying to get publishing credits. Put even more bluntly, this is a bunch of bad writing

about good writing. But the book doesn't even include any of the good writing that the bad writing describes. Not really sure what is the purpose of this book. Big disappointment. 1 of 1 people found the following review helpful. Excellent text that canvases the entire copus on excellent writing. By DExcellent text that canvases the entire copus on excellent writing. Certainly, it is a text for those interested in living the life of the mind and practicing law simultaneously.

An innovative and riveting look at briefs from a highly respected author that can be used as a primary text in an advanced legal writing class or as a secondary text in a basic legal writing course. The chapters can be taken in any order. In the first part of the book, individual chapters cover advanced legal writing topics such as rhetoric, voice, emotion, metaphor, and narrative. The second part of the book introduces famous cases, with the story of each case. Chapter introductions provide interesting insights, such as historical context, the story of the case and of the litigation of it, information about the lawyers who wrote the briefs on both sides, what the courts decided, and, where relevant, about what has happened since. Compelling content makes it easy to engage students while photos throughout enliven the text. Features: Highly respected author Flexibility can be used as core text in advanced legal writing with other materials secondary text in a basic legal writing course chapters can be taken in any order High-interest, engaging content Each chapter focuses on important legal writing topics rhetoric voice emotion metaphor narrative Features famous case Chapter introductions with compelling insights historical context the story of the case and its litigation information about the lawyers who wrote the briefs on both sides what the courts decided what has happened since Full-text cases and briefs offered on a companion website Photos that enliven the text
