Michael P. Schutt : Redeeming Law: Christian Calling and the Legal Profession before purchasing it in order to gauge whether or not it would be worth my time, and all praised Redeeming Law: Christian Calling and the Legal Profession:

Being a Christian lawyer is possible, but not easy. Law professor Michael Schutt believes that although there are significant obstacles, Christians belong in the legal profession and should regard it as a sacred calling. The Christian God is, after all, a God concerned with justice, both divine and human. However, the pathway beginning with law school and leading to the daily demands of practice doesn't provide much guidance for pursuing law as a Christian calling. Schutt offers this book as a vital resource for reconceiving the theoretical foundations of law and gives practical guidance for maintaining integrity within a challenging profession. A hopeful and practical book for law students and those serving in the legal profession.
