From Lepard Brian D : Reexamining Customary International Law (ASIL Studies in International Legal Theory) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reexamining Customary International Law (ASIL Studies in International Legal Theory):

Reexamining Customary International Law takes on the complex issues and controversies surrounding the history,

theory, and practice of customary international law as it reexamines customary law's increasingly important role in world affairs. It incorporates the expertise of distinguished authors to probe many difficult issues that remain unresolved concerning the doctrine of customary law. At the same time, this book engages in a profound exploration of the practical role of customary international law in a variety of important fields, including humanitarian law, human rights law, and air and space law.

About the Author Brian D. Lepard is the Harold W. Conroy Distinguished Professor of Law at the University of Nebraska College of Law. He has written numerous books and articles on international law, comparative law, human rights, and tax law, including *Customary International Law: A New Theory with Practical Applications* (Cambridge, 2010). He is Chair of the Committee on Formation of Rules of Customary International Law of the American Branch of the International Law Association. He is also Academic Director of the Law College's LL.M. in Global Legal Practice Program for non-US lawyers and international students.
