GrimWhen I looked at the online index/table of contents for the book, it contained chapters on regulations in Tennessee. When I received the book, I was disappointed to find that state-specific info is only provided for a few states - and Tennessee, where I practice, is not one of them. Very misleading.0 of 0 people found the following review helpful. barrel of monkeysBy Djaynothing can improve this amazing book. Well maybe a match and some gasoline. It's a code book- can't really go wrong (or right) there

The rules regulating the behavior of lawyers and judges continue to grow and change at an accelerating pace. Regulation of Lawyers: Statutes and Standards, 2009 Edition provides an overview of the major changes and updates since the last edition as well as possible future changes under consideration. This supplement has many special features that capture the history, complexity, context, and variety of the ABA Model Rules. The 2009 edition contains numerous updates, including: Important new state variations of the Model Rules Details about a proposed conflicts screening provision for Model Rule 1.10 that may be adopted in 2009 The text of Rule 502 of the Federal Rules of Evidence, which now governs the effect of an inadvertent disclosure on the attorney-client privilege The ABA's new Model Rule for Registration of In-House Counsel Newly adopted provisions in New York's Code of Professional Responsibility (in the expanded version of the book)
