Refined through years of classroom use, this casebook offers:

Comprehensive coverage covers the full range of professional responsibility issues in less space (about 20 percent shorter than the 9th edition). **Well-balanced mix** of cases, secondary sources, timely materials (often drawn from recent headlines), engaging problems, and challenging notes. Goes beyond the rules in recognizing that the law is not necessarily self-evident and covers many subtleties; Gillers discusses the rules from different perspectives. Students are thus better equipped to detect and avoid improper conduct in their professional life than if they had learned the rules alone. **Excellent case selection.** Relevant cases exemplify multiple variations on particular themes. **Realistic, helpful problems.** Abundant problems, many based on actual events, that facilitate class discussion and enable students to understand the rules and regulations that will govern their professional behavior. **Detailed notes** provide in-depth treatment of the issues. **High-profile author.** Stephen Gillers is a highly visible and recognized national authority on professional responsibility. **Accessible and engaging style.** The writing is characterized by variety, clarity, and humor. **Accompanied by an outstanding annual statutory supplement.** Co-authored by Roy D. Simon, Andrew M. Perlman, and John Steele, the popular Regulation of Lawyers: Statutes and Standards covers all major, minor, and state variations on the rules governing lawyers and judges. **CasebookConnect features:** **ONLINE E-BOOK** Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. **Highlight, take notes in the margins, and search the full text** to quickly find coverage of legal topics. **PRACTICE QUESTIONS** Quiz yourself before class and prep for your exam in the Study Center.
