**Stephen Gillers, Roy D. Simon, Andrew M. Perlman : Regulation of Lawyers: Statutes and Standards, 2010 (Concise Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Regulation of Lawyers: Statutes and Standards, 2010 (Concise Edition):

0 of 0 people found the following review helpful. all references in one placeBy Bruce BorkoskyWill be using this to cite attorney responsibilities. All the requirements in one place. The format is a little confusing, though. There are little black marks on the outside of the pages to indicate the beginning of each section - not TOC0 of 0 people found the following review helpful. Five StarsBy Abigail Paffordvery useful companion to my textbook- great price and quick

shipping too!

Great book. Pages are a bit thin. Don't get it wet because the cover does NOT hold up.

The rules regulating the behavior of lawyers and judges continue to grow and change at an accelerating pace. Regulation of Lawyers: Statutes and Standards, 2010 Edition provides an overview of the major changes and updates since the last edition as well as possible future changes under consideration. The Concise Edition includes everything contained in the full edition except the ethics rules and related statutes from California, the District of Columbia, and New York. These supplements have many special features that capture the history, complexity, context, and variety of the ABA Model Rules. Special features include: - Editors' introductions to each chapter, alerting readers to significant changes and anticipated proposals since the last edition; - Editors' notes throughout the text to provide background or highlight changes to particular items; - Canon and code antecedents quoted after each ABA Model Rule to reveal common and enduring themes throughout history; - Complete lists of cross-references in other rules; - Legislative history that assembles excerpts of interesting variations from previous drafts and versions of the Model Rules, in addition to amendments and proposed amendments for each; - Selected state variations that differ in significant ways from the equivalent ABA Model Rules; - Related materials drawn from the many other authorities and resources that influence or mandate the conduct of lawyers; - Updated index reflecting all the amendments through October 2009.
