Robert H. Hu : Research Guide to Chinese Trademark Law and Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Research Guide to Chinese Trademark Law and Practice:

0 of 0 people found the following review helpful. Very Solid Product By Daniel Harris My law firm bought this guide for one of our IP lawyers who does not speak Chinese, but works extensively with our Chinese-speaking lawyers on China trademarking matters. Our goal was to get her quickly up to speed on China trademark laws to improve her interaction with the Chinese-speaking lawyers with whom she worked. Her reading this book did exactly that. It is a

really good book to give readers a 101/201 knowledge of China's trademark laws.

Chinese trademark law has become a hot topic of discussion among scholars and practitioners, both in China and abroad. This book offers the essential information for understanding the Chinese legal regime for trademark registration and administration. It serves as a roadmap for conducting research in this subject area by providing the know-how on finding relevant statutes, regulations, case law, bibliographies, electronic resources, and other useful information. The Guide is a handy reference and valuable tool for legal scholars, law professors, lawyers, and others interested in learning about Chinese trademark law. Major topics in this Guide include: an overview of the trademark law system in China; current trademark laws and regulations in effect; important judicial decisions relating to trademark disputes between Chinese and foreign parties; applicable international treaties and agreements governing Chinese trademarks; trademark agents and law firms; how to conduct trademark searches; and selective judicial and economic statistics concerning Chinese trademarks. Various tables of authorities, along with appendixes, are created to facilitate easy access to critical documents, such as trademark statutes, regulations, policy guidelines, and official interpretations.

About the Author Robert H. Hu is a professor at St. Mary's University School of Law.
