From Ingramcontent : Research Methods for Law (Research Methods for the Arts and Humanities) before purchasing it in order to gage whether or not it would be worth my time, and all praised Research Methods for Law (Research Methods for the Arts and Humanities):

Drawing on actual research projects, *Research Methods for Law* discusses how legal research as process impacts on research as product. The author team has a broad range of teaching and research experience in law, criminal justice and socio-legal studies, and give examples from real-life research products to illustrate the theory.
