**Steve Donweber, David Bachman, Ellen Minot Richardson, Jennifer Robble, Stefanie Weigmann : Researching the Law** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Researching the Law:

1 of 1 people found the following review helpful. Great way to summarize 1L Researc tips!By AleksandraLibrarians did an excellent job on tying all essential themes in Research together. Would recommend it to anyone looking for a go-to guide on how to develop a research plan.0 of 0 people found the following review helpful. The other best LRW book evahBy Nathan A.Go BU!You can check it out free at pappas, only need for legal research and writingGood luck 11's!0 of 1 people found the following review helpful. Had to get it for class.By SeeKimFlyI am sure this book took work to compile, but I am already paying a LOT of money for my legal education. This should have been made available in PDF format. I've glanced at it but have not learned anything from it that I didn't learn in class. Try visiting the reserve section of the library or the PIP office to save some money.

This guide to basic U.S. legal research is designed to introduce new law students, and anyone else with an interest, to methods for researching and locating relevant U.S. primary and secondary legal authority when confronting a legal issue, problem, or question.
