**Nick Holmes, Delia Venables : Researching the Legal Web: A Guide to Legal Resources on the Internet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Researching the Legal Web: A Guide to Legal Resources on the Internet:

This book is designed to assist and guide users through the vast maze of legal and related sites that are not currently catalogued on the Web. It provides users with a tool that is designed to save them from the time-consuming and frustrating task of locating relevant information.
