From Oxford University Press : Rights of Single Parents (Legal Almanac Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rights of Single Parents (Legal Almanac Series):

A concise guide to the legal rights of single parents, including the expansion of "father's rights" and single-parent adoption. The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to

everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.

From the Publisher This is one of the over 60 titles in the Almanacs Series that cover the gamut of topics, from Teenagers and Substance Abuse, to Identity Theft, to Internet Privacy, to International Adoption, to Marriage Divorce, using the law to reveal the answers to the most basic questions we all have: How do laws in our society protect us and those around us? What protections and punishments are there? Where can I go to find out more? Each volume is clearly written and easy-to-understand. About the Author Margaret C. Jasper, Series Editor is an attorney in the general practice of law in New York, concentrating in the areas of personal injury and entertainment law. Jasper is a member of the New York and Connecticut bars, and is certified to practice before the United States District Courts for the Southern and Eastern Districts of New York, and the United States Supreme Court. Ms. Jasper has been appointed to the panel of arbitrators of the American Arbitration Association and the law guardian panel for the Family Court of the State of New York, and is a member of the American Trial Lawyers Association.
