William E Butler : Russian Family Law (Studies in Russian East European Law) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Russian Family Law (Studies in Russian East European Law):

The most comprehensive introduction in English to the historical background and contemporary state of Russian

family law, with extensive reference to judicial practice in Russian courts and in the European Court of Human Rights involving Russian parties. A historical introduction to Russian family law is followed by an account of the general provisions on family relations, the sources of Russian family law, the regulation of marriage, divorce, invalidity, personal rights and duties of spouses, marital property (including the marriage contract), rights and duties of parents and children, alimony, adoption, and other variants of caring for children left without parents. The study closes with a discussion of private international legal aspects of family relations, including the recognition and dissolution of foreign marriages, personal rights and duties of spouses, alimony, adoption, the application of foreign law, and the 1980 Hague Abduction Convention. The full text of the Family Code is appended in the author's translation.

About the Author William E. Butler is The John Edward Fowler Distinguished Professor of Law and International Affairs, Pennsylvania State University; Emeritus Professor of Comparative Law in the University of London (University College London); Foreign Member, National Academy of Sciences of Ukraine and National Academy of Legal Sciences of Ukraine; Associate, International Academy of Comparative Law.
